

EQUITABLE

Employee Benefits

# Powerfully simple

## Built to work your way

We built our technology and products to give you the freedom to choose how you work with us, from platforms to products.

- Rather than being limited by legacy systems, our cloud-based technology lets you engage with any platform.
- Our open architecture lets us work with any carrier's products, in addition to our own.

## An intuitive experience

Our powerful technology helps you stay ahead, with real-time data at your fingertips in an intelligent platform.

- Manage your plans and track enrollment progress from any device.
- Get total visibility throughout the entire process.
- Maximize employee participation levels using our dynamic platform's tools and reports.

## An agile team

Whether we're working to get you faster turnaround times on claims or answering a new request, our team is committed to growing and evolving with you.

- We evolve based on your feedback to meet your unique needs.
- We form relationships with our clients, so if you call with a question or request, you know you're speaking to someone who is invested in your answers.

## An experienced leader

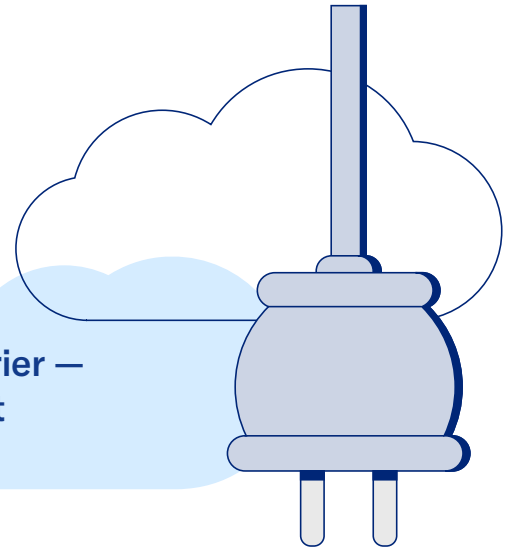

We brought in leading talent from across the industry to build our employee benefits business, and today, we are among the fastest-growing carriers in the country. Together, we'll work to turn today's goals into tomorrow's accomplishments.

## Competitive products

Our products are designed to meet the highest standards of a competitive, modern workforce — with a specialty in Life Insurance, Short-Term Disability and Long-Term Disability.

Rethink what you expect from your carrier —  
it's time for employee benefits that  
meet your changing needs.
