June 27 - 28, 2017 • Marist College, Poughkeepsie

## Paul Haering Central Hudson Gas & Electric Corp.

---

Mr. Haering has worked for Central Hudson Gas & Electric for over 30 years and is currently the Senior Vice President of Engineering and System Operations. His responsibilities include gas and electric system planning and engineering as well as gas and electric transmission system operations, substation maintenance and construction, and NERC compliance. He holds a bachelor's degree in Electrical Engineering from Manhattan College; earned a master's degree, also in Electrical Engineering, from Polytechnic University; is a graduate of the GE Power System Engineering Program; and earned an Executive MBA from Rensselaer Polytechnic Institute.
