

2018 Annual Environment Conference

Nov. 13 - 14 — The Gideon Putnam

Michael Ryan

Director, Division of Environmental Remediation
NYS DEC

Michael Ryan, P.E. is the Division Director for the New York State Department of Environmental Conservation's Division of Environmental Remediation (DER). He has been with the NYSDEC for over 31 years, starting as a project engineer, then program manager, and Assistant Division Director beginning in 2012. He was promoted to the position of Director in February of 2018. He oversees a Statewide staff and is responsible for administration of the multiple State programs managed by DER including the State Superfund Program, Brownfield Cleanup Program, Environmental Restoration Program, Spill Response Program, and Hazardous Waste Management (RCRA) Corrective Action Program. He holds a B.S. from the State University of New York in Physics, and a B.S. in Civil and Environmental Engineering from Clarkson University.
