

Information Technology & Telecommunications Forum

Tuesday, January 22 — Albany Capital Center

Registration Form

About the Forum

The ITT Forum will feature presentations by key administration and legislative leaders in the areas of technology and telecommunications. In addition to discussing the priorities of The Business Council in Information Technology, Telecommunications and E-Commerce, the committee will discuss the areas of interest to the business community during the 2019 legislative session. These include: cyber security, information and data management, and privacy legislation.

Please print clearly. Payment must accompany registration form. Make copies as needed for additional registrants.
