

## Join us Wednesday, May 29 and Thursday, May 30 for the 2019 Business and Education Forum: Pathways to Success.

This event will be an opportunity for the State's education and business leaders to discuss ways in which partnerships and pathways are better preparing students for college, career and civic life.

Business and industry are turning to pathway programs to fill their talent pipeline and strengthening the education and curriculum delivery through partnerships. Join us for the conversation as we discuss pathway programs, workforce development, innovations in education, access and equity, education policy and much more.

### WHO SHOULD ATTEND:

- Business leaders interested in improving the talent pipeline for their industry
- Businesses interested in partnering, or currently partnered with P-12 education
- Businesses who want to know more about P-12 partnerships and engagement
- Non-profit organizations involved in education policy or programs
- Educators interested in partnering, or currently partnered with business and industry
- Education policymakers
