

Michelle K. Piasecki, Esq.
Associate, Harris Beach PLLC

Michelle focuses her practice on energy and environmental law, with a particular emphasis on renewable generation and emerging technologies. She represents renewable developers in all aspects of project development and siting, including navigating the regulatory process under Article 10 of the New York Public Service Law and the New York State Environmental Quality Review Act (SEQRA). Michelle also counsels clients through the interconnection process with local distribution utilities and the New York Independent System Operator (NYISO).

In the environmental arena, Michelle represents corporate and individual clients on a wide range of matters involving permitting, regulatory compliance, civil and administrative enforcement, and dispute resolution. Her environmental permitting and regulatory compliance experience spans issues involving air emissions, wastewater and stormwater discharges, wetlands, zoning and land use matters, and the Mined Land Reclamation Law.
