

About:

The Business Council of New York State, the Business Council of Westchester, the Bronx Chamber of Commerce, the Buffalo Niagara Partnership, and the Greater Rochester Chamber, are hosting a two-day Washington DC Fly-In event. Join us in our nation's capital as we meet with prominent members of Congress, including various New York State delegation members. The state- wide business agenda focuses on topics important to New York State employers that are also issues of concern on the federal level. Hear from our delegation on the important topics and how those policies are being looked at in Washington.
